

E-NEWS AND NOTES

Preschool School Spirit Day

NLSW was celebrated the week of January 25-29th. We celebrate the blessing that CCLS is in the lives of our families.

Thank you to St. Paul's for the support they provide to continue this ministry. Celebrations included dress up days, a Winter Olympics, and charades with our chapel families.

NATIONAL LUTHERAN SCHOOLS WEEK

Kindergarten Crazy Day

TRIKE-A-THON

Preschool hosted a Trike-a-thon to sponsor St. Jude Children's Research Hospital. This finished off our National Lutheran Schools Week celebration on Friday, January 29th. Preschoolers put on many miles riding their trikes, bikes, and scooters around the track in the school gym. To date, \$2,967 have been raised to support St. Jude.

SHARING WITH SHUT-INS

First and Second graders enjoy drawing and coloring. They have put these skills to use each month by sharing pictures/projects with many of the shut-ins from St. Paul's. We hope to share the love of Jesus each time we drop these in the mail.
